window to see the browser behind it. Action Mr Barber has made a Teams Top Tips page on the Work Space on the website. He is making a new section all about how to view files in Teams, how to play Proverpoint Shows and how to make the links work. Class 5 Can we raise money for the homeless? • We did a quick online poil and the majority of School Council thought this was a good idea. • We need to come up with ideas for fundraising events, such as a sponsored run – say 20 laps of the filed or playground. • It should be something people can do at home. • You could run a marathon in 5 weeks – 2km a day. • Could children be sponsored to sleep on the field in a cardboard box? (Not all night, and not while the weather is so cold!) Action Class 5 Can Lottie do live PE lessons? • Lottie is working in school 3 days a week doing PE lessons for the classes in school. It is not possible for her to record those and stream them live, as they are mostly outside, and even if they were inside, we would not be allowed to film and broadcast all the children doing PE. There is not another adult available to do the filming. Lottie is setting a PE challenge for the whole school every week. The first one will be posted this week. She will make a short video introduction to show you what to do. There is a scre sheet where you can enter your score for each challenge you do. Lottie's Street Dance lesson in Y4 was very popular – it was actually a video she found online. If we can find the link, we will share it in Teams. Action: Lottie's Street Dance lesson in Y4 was very popular – it was actually a video she found online. If we can find the link, we will share it in Teams. Action: Lottie's Street Dance lesson in Y4 was very popular – it was actually a video she found online. If we can find the link, we will share it in Teams. Action: • The timings of live sessions are fixed for each year group so that brothers and sitters in different years don't clash. So it is not possible for registration to run st	it usually opens in a browser window. You might have to shrink the Teams

Teachers should have a list of birthdays for their classes. Perhaps they could post a happy birthday message in the Class Channel or mention birthdays in their video message? If children have a birthdays for their classes. Perhaps they could post a happy birthday message in the Class Channel or mention birthdays in their video message? You could send them a birthday emoji. Action<!--</td--><td></td><td></td>		
 Can Lottie is working in school 3 days a week doing PE lessons for the classes in school. It is not possible for her to record those and stream them live, as they are mostly outside, and even if they were inside, we would not be allowed to film and broadcast all the children doing PE. There is not another adult available to do the filming. Lottie is setting a PE challenge for the whole school every week. The first one will be posted this week. She will make a short video introduction to show you what to do. There is a score sheet where you can enter your score for each challenge you do. Lottie's Street Dance lesson in Y4 was very popular – it was actually a video she found online. If we can find the link, we will share it in Teams. Action: Action: Lottie's PE Challenge will be posted on Teams in the Other Lessons Channel each week. School Councillors should remind their classes to take part – perhaps they could post a message in the Class Channel. Class 7 After online registration for home learners, could the meeting stay live until English so that children could ask the teacher questions? The timings of live sessions are fixed for each year group so that brothers and sisters in different years don't clash. So it is not possible for registration to run straight on to a live English session. Teachers are just starting to work out how to make best use of live sessions during the week. If children have any suggestions, they can post them in messages on the Class Channel or in Chat to the teachers. Action Teachers should have a list of birthdays for their classes. Perhaps they could post a happy birthday message in the Class Channel or mention birthdays in their video message? Teachers should have a list of birthdays for their classes. Class 11				
Can we have more live lessons on different topics?				
• Each year group's teachers are working out what is best for live sessions.				
Some live sessions are used to give feedback on children's work, some				
are used to explain how to do things, and some are used to answer				
children's questions.				
 Mrs Goulden and Mr Coulson are doing some live music and languages 				
lessons.				
 Prerecorded lessons can be better as you can watch them any time. 				
 There is a full range of lessons in different subjects every week in the 				
Subject Channels.				
Action:				
AB will discuss how live sessions are used with teachers next week.				
Class 4				
Can we have more astroturf behind the adventure playground, as it gets very				
muddy?				
The Green Ambassadors are working with Mr Parr on developing the old				
pond area as a wildlife area.				
 There will not be enough money in the budget this year to pay for more 				
astroturf, and with the covid lockdown, we would not have an opportunity				
to fundraise for that as well as the wildlife area.				
Action:				
No action				
Any other business				
Children were asked whether the ones at home were starting to feel a bit cut off				
from their classmates who come in to school. Those at home see each other				
every day in registration, and those in school benefit from being with other				
children, but they may be losing contact with the rest of their class.				
 Could the classes in school join some of the live sessions with the children at home? 				
Would it be possible for children in school to join in with the Eagles, Kostrale, Bayana or Hawka mastings?				
Kestrels, Ravens or Hawks meetings?				
Children can all read and reply to messages on the Class Channels.				
 Lots of children have other ways of keeping in touch with their friends. Action: 				
Mr B will discuss these ideas with teachers and see what is possible to help				
classes stay connected. None				
Date of next meeting – Friday 5 th March 2:30pm				
Date of next meeting – Friday 5 th March 2:50pm
