What to do today

IMPORTANT Parent or Carer – Read this page with your child and check that you are happy with what they have to do and any weblinks or use of internet.

1. Take notes from a video

- Watch the video clip about the Impala and the Leopard. Don't be worried: it has a happy ending! <u>https://www.youtube.com/watch?v=LhSDxp0oQK8</u>
- Read *Impala Notes*. Fill in the answers. Write as much description as you can. Watch the video again to help you.

2. Plan a story about a narrow escape

- Look at *Narrow Escape Pictures*. Which is the predator, and which is the prey in each of these pictures?
- Choose your favourite *Narrow Escape Picture* and write notes about it on the *Narrow Escape Storyboard*. Try to answer each of the questions and give extra information as well.

3. Tell your story to somebody else.

• Use your *Narrow Escape Storyboard* to tell your story to somebody else.

Try the Fun-Time Extra

• Practise telling your story and then get a grown-up to film you. Who could you share your story with?

Impala Notes

Setting the scene Where does this story take place? Scene Story take place? What sort of landscape? What is each animal doing? The approach How does the predator move at first? Where is the prey? What are they doing? The attack How does the predator move at first? When are they doing? How does the predator move at first?
