Problems of the Day 2020

**1** In a box

- $\frac{1}{4}$ of the apples are green.
- The rest are red.
- There are 5 green apples.

How many apples are red?

$5 \times 4 = 20$
$20 - 5 = 15$

15 apples are red.

2 Amir has 10 cartons of juice.

JUICE JUICE JUICE JUICE JUICE

Each carton holds 2 litres of juice.

How much juice is in 7 cartons?

$7 \times 2 = 14$

7 cartons hold 14 litres of juice.
