

Week 4 - Make your own instrument

Use the sheet to help you make a musical instrument using items in your home.

Enjoy playing your instrument! How many different sounds can you make with it?

Make a Musical Instrument Activity

Can you make your own musical instrument? You might want to make a shaker, a drum, a guitar or something else of your own choice.

Here are some resources you may want to use. Remember you can think of your own ideas too.

Kitchen roll

Elastic bands of different thicknesses

Plastic or paper cups

Boxes of different size

Lentils or other dried beans

Tissue paper

Scissors

Glue

Tape

Extra challenge on the next slide...

Challenge

Create some rhythms or even a rhythmical composition to play on your new instrument.

Could you write down some rhythms you have used, either using traditional musical notation or your own form of notation?

What happens if you combine your rhythms with someone else clapping/tapping a different rhythm??
